

Integrated Farm Household Survey
July 2002 - June 2003

<u>Table No.</u>	<u>Title</u>
1	Average and percentage distribution of household heads by educational attainment, by province, by region, Philippines, July 2002 – June 2003
2	Percentage distribution of household heads by main occupation, by province, by region, Philippines, July 2002 – June 2003
3	Average age and percentage distribution of household members (excluding household heads) by educational attainment, by province, by region, Philippines, July 2002 – June 2003
4	Percentage distribution of household members (excluding household heads) by main occupation, province, by region, Philippines, July 2002 – June 2003
5	Average household size by sex, by province, by region, Philippines, July 2002 – June 2003
6	Percentage distribution of household heads by occupation aside from main occupation, by province, by region, Philippines, July 2002 – June 2003
7	Percentage distribution of household members (excluding household heads) by occupation aside from main occupation, by province, by region, Philippines, July 2002 – June 2003
8	Percentage distribution of household heads by membership in organization, by province, by region, Philippines, July 2002 – June 2003
9	Percentage distribution of household members (excluding household heads) by membership in organization, by province, by region, Philippines, July 2002 – June 2003
10	Percentage distribution of farm households by type of farm enterprise, by province, by region, Philippines, July 2002 – June 2003
11	Average farm size and number of parcels by province, by region, Philippines, July 2002 – June 2003
12	Percentage distribution of farm parcels by location, by main use, by province, by region, Philippines, July 2002 – June 2003

<u>Table No.</u>	<u>Title</u>
13	Percentage distribution of farm parcels and average size by farm tenure, by province, by region, Philippines, July 2002 – June 2003
14	Percentage distribution of irrigated farm parcels and average size by source of irrigation, by province, by region, Philippines, July 2002 – June 2003
15	Percentage distribution of households on crops grown by province, by region, Philippines, July 2002 – June 2003
16	Palay: Average area harvested, production and yield/ha by province, by region, Philippines, July 2002 – June 2003
17	Palay: Percentage distribution of production disposition by province, by region, Philippines, July 2002 – June 2003
18	Corn: Average area harvested, production and yield/ha by province, by region, Philippines, July 2002 – June 2003
19	Corn: Percentage distribution of production disposition by province, by region, Philippines, July 2002 – June 2003
20	Other temporary crops: Average area harvested, production and yield/ha by province, by region, Philippines, July 2002 – June 2003
21	Other temporary crops: Percentage distribution of production disposition by province, by region, Philippines, July 2002 – June 2003
22	Coconut: Average production, area and number of trees harvested of farm households by province, by region, Philippines, July 2002 – June 2003
23	Coconut: Percentage distribution of production disposition by province, by region, Philippines, July 2002 – June 2003
24	Other fruit crops: Average number of harvests, area planted, number of trees planted and number of bearing trees of farm households by crop, by province, by region, Philippines, July 2002 – June 2003
25	Other fruit crops: Average production, area and number of trees harvested of farm households by province, by region, Philippines, July 2002 – June 2003
26	Other fruit crops: Percentage distribution of production disposition by province, by region, Philippines, July 2002 – June 2003

<u>Table No.</u>	<u>Title</u>
27	Industrial crops: Average number of harvests, area planted, number of trees planted and number of bearing trees of farm households by crop, by province, by region, Philippines, July 2002 – June 2003
28	Industrial crops: Average production, area and number of trees harvested of farm households by province, by region, Philippines, July 2002 – June 2003
29	Industrial crops: Percentage distribution of production disposition by province, by region, Philippines, July 2002 – June 2003
30	Agro-forestry crops: Average number of harvests, area planted, number of trees planted and number of bearing trees of farm households by crop, by province, by region, Philippines, July 2002 – June 2003
31	Agro-forestry crops: Average production, area and number of trees harvested of farm households by province, by region, Philippines, July 2002 – June 2003
32	Agro-forestry crops: Percentage distribution of production disposition by province, by region, Philippines, July 2002 – June 2003
33	Percentage distribution of households who raised or owned livestock/poultry by province, by region, Philippines, July 2002 – June 2003
34	Percentage distribution of households by purpose and by type o livestock raised or owned, by province, by region, Philippines, July 2002 – June 2003
35	Percentage distribution of households by purpose and by type of poultry raised or owned, by province, by region, Philippines, July 2002 – June 2003
36	Average inventory of (livestock) by province, by region, Philippines, July 2002 – June 2003
37	Average inventory of (livestock) by province, by region, Philippines, July 2002 – June 2003
38	Average inventory of (poultry) by province, by region, Philippines, July 2002 – June 2003
39	Average inventory of (poultry) by province, by region, Philippines, July 2002 – June 2003
40	Percentage distribution of households raising livestock/poultry as contract grower by province, by region, Philippines, July 2002 – July 2003

Table No.**Title**

41	Percentage distribution of households engaged in capture fishing by type, by province, by region, Philippines, July 2002 – June 2003
42	Percentage distribution of households engaged in capture fishing as main source of income, by province, by region, Philippines, July 2002 – June 2003
43	Percentage distribution of households considering capture fishing as seasonal activity and peak month/s in fishing by province, by region, Philippines, July 2002 – June 2003
44	Percentage distribution of households engaged in aquaculture by type of aquafarm, by province, by region, Philippines, July 2002 – June 2003
45	Percentage distribution of households using high yielding variety seeds, by crop, by province, by region, Philippines, July 2002 – June 2003
46	Percentage distribution of households by source of material inputs used, by crop, by province, by region, Philippines, July 2002 – June 2003
47	Percentage distribution of households by type of inorganic fertilizers used, by crop, by province, by region, Philippines, July 2002 – June 2003
48	Percentage distribution of households by type of pesticides and chemicals applied, by crop, by province, by region, Philippines, July 2002 – June 2003
49	Percentage distribution of households who use/sell crop by-products and livestock and poultry products by province, by region, Philippines, July 2002 – June 2003
50	Percentage distribution of households who are engaged in special agricultural activities and home processing of agricultural products by province, by region, Philippines, July 2002 – June 2003
51	Percentage distribution of farm households on awareness of government programs by enterprise, by province, by region, Philippines, July 2002 – June 2003
52	Percentage distribution of farm households by government program, by enterprise, by province, by region, Philippines, July 2002 – June 2003
53	Percentage distribution of households by type of production and marketing technical assistance by enterprise, by province, by region, Philippines, July 2002 – June 2003
54	Percentage distribution of households by source of technical assistance in crop farming by province by region, Philippines, July 2002 – June 2003

<u>Table No.</u>	<u>Title</u>
55	Percentage distribution of households on factors in putting a price tag or valuation of agricultural produce, by province, by region, Philippines, July 2002 – June 2003
56	Percentage distribution of households by level of influence of factors in valuation of produce, by province, by region, Philippines, July 2002 – June 2003
57	Percentage distribution of households in selling their produce by province, by region, Philippines, July 2002 – June 2003
58	Percentage distribution of households by procedure in selling their produce by province, by region, Philippines, July 2002 – June 2003
59	Average farm investment of farm households by major item, by province, by region, Philippines, July 2002 – June 2003
60	Average annual income of households by source, by province, by region, Philippines, July 2002 – June 2003
61	Average annual income per farm household by type of enterprise, by region, by province, Philippines, July 2002 – June 2003
62	Average production costs by type of expenditure, by farm enterprise, Philippines, July 2002 – June 2003
63	Average costs and returns per farm household by province, by region, Philippines, July 2002 – June 2003
64	Average household expenditures on food and non-food by province, region, July 2002 – June 2003
65	Average household expenditures on food and non-food by region, Philippines, July 2002 – June 2003
66	Percentage distribution of households and average household expenses on food by type of occasion, by province, by region, Philippines, July 2002 – June 2003
67	Average amount of loan and interest rate by source of farm households, by province, by region, Philippines, July 2002 – June 2003
68	Percentage distribution of households who borrowed/did not borrow money or goods, by province, by region, Philippines, July 2002 – June 2003
69	Percentage distribution of households who obtained loan by kind of asset used as collateral, by province, by region, Philippines, July 2002 – June 2003

Table No.**Title**

70	Percentage distribution of households who obtained loan by relationship to guarantor, by province, by region, Philippines, July 2002 – June 2003
71	Percentage distribution of households who obtained loan by type of amortization payment, by province, by region, Philippines, July 2002 – June 2003
72	Percentage distribution of households who obtained loan by purpose, by province, by region, Philippines, July 2002 – June 2003
73	Percentage distribution of households by actual usage of the loan obtained, by province, by region, Philippines, July 2002 – June 2003
74	Percentage distribution of households who obtained loan by reason of actual usage of loan, by province, by region, Philippines, July 2002 – June 2003
75	Percentage distribution of households who obtained loan with contract and pay amortization on time, by province, by region, Philippines, July 2002 – June 2003
76	Percentage distribution of households who obtained loan by mode and frequency of payment, by province, by region, Philippines, July 2002 – June 2003
77	Average percentage value of material inputs obtained on credit and percentage distribution of households by source of credit, palay, by province, by region, Philippines, July 2002 – June 2003
78	Average percentage value of material inputs obtained on credit and percentage distribution of households by source of credit, corn, by province, by region, Philippines, July 2002 – June 2003
79	Average percentage value of material inputs obtained on credit and percentage distribution of households by source of credit, other temporary crops, by province, by region, Philippines, July 2002 – June 2003
80	Average percentage value of material inputs obtained on credit and percentage distribution of households by source of credit, permanent crops, by province, by region, Philippines, July 2002 – June 2003
