TVET Graduate Follow-Up Wave 4 Questionnaire

Consent Form

Hello, my name is [Enumerator Name] from [Survey Firm], a survey firm. I am working on a project that is being implemented by Millennium Challenge Corporation of USA and Innovations for Poverty Action. We are trying to learn about the impact of vocational education in Mongolia. You have been invited to be a participant in this study. Your participation will improve the work being carried out by the project and will be highly appreciated.

If you agree to participate in this study, we will ask you questions about issues related to your education, employment, assets, and expenditures. This survey also includes taking one to three short trade-specific tests based on the trades that you applied for when you applied to vocational schools. The questions and tests should take about 1.5 hours to answer. To compensate for your time and effort, you will receive [Incentive Amount] in the form of cash if you complete the questionnaire and tests. Any information you provide that can identify you will be kept strictly confidential by the parties conducting this study, including MCC employees, employees of the survey firm, and licensed researchers, to the maximum extent¹ permitted by the laws of the United States of America and the laws of Mongolia. These users will use data for statistical purposes only.

Your participation is voluntary and you may choose not to answer any or all questions for any reason. In other words, you have the alternative to not participate and there will be no consequences for nonparticipation. You may contact [Name], [Title] at Innovations for Poverty Action, at [Phone Number], if you have questions, concerns or complaints about the study or your rights as a participant. If you have any questions for me, please feel free to ask at any time.

Do you understand these conditions and are you still willing to participate? (Surveyor must mark a “yes” or “no”)
