Hello, my name is _____ from the MMCG Company, a survey firm. I am working on a project that is being implemented by MCA-Mongolia. We are trying to learn about TVET Project in your school and Mongolian VET sector. You have been invited to be a participant in this study. Your participation will improve the work being carried out by the project and will be highly appreciated.

If you agree to participate in this study, we will ask you questions about issues related to some background characteristics as well as questions about your experiences at the school. The questions should take about 80 minutes to answer. Our interview will be recorded in order to check my job.

Would you be willing to participate in this survey? (Surveyor must mark a "yes" or "no" even if the consent is done verbally)

1	Yes	
2	No	End Interview

Before we start, I will quickly describe your involvement in this study. Participation in this study is completely voluntary. You may refuse to answer any of the questions and you may stop me at any time to ask questions or to end the interview completely. Also, your participation in this study will be confidential. Your name and any other identifying information will be accessible only to the employees of the company conducting the survey and researchers working with the data. For example, your name or any information that could be used to identify you will never appear in any reports or publications.

Do you understand these conditions and are you still willing to participate? (Surveyor must mark a "yes" or "no" even if the consent is done verbally)
